**Membership Application (continued)**

As a member I understand that I may be called upon to participate/help in the club's workdays and special events. I agree to be reasonably available for these activities. Participation in at least (1) one event/workday per year is required. I understand that my membership in the club allows me to bring my family members, providing I am present. A family membership is required if any immediate family member wishes to use the facility to practice ranging or shooting at any targets. As a condition of my acceptance as a member, I have provided a list of those dependent members of my family who might use the facility with me present. I also understand that as a member, I will be responsible for the actions of all non-members that I bring to the facilities. I understand that distribution, to non-members, of the gate combination or keys to club facilities is forbidden and is grounds for immediate dismissal with no refund of club fees. Furthermore, I understand that I am responsible for the actions of any unauthorized individuals who enter club facilities after receiving combination/keys from me. I attest that the information contained in this application is accurate to the best of my knowledge. I also understand that my willful misrepresentations are grounds for immediate dismissal, with no refund of club fees.
